

## **AGREEMENT FOR THE PURCHASE AND SALE OF KG ( KILOS) OF FAT CATTLE IN THE FUTURES MARKET IN BLOCKCHAIN DRAWER**

ExtractoDAO LTD true holder located virtually at <https://extractodao.com/> via its virtual smart contract named Extracto@ issued by the DRAWER to the DAO (privately owned decentralized autonomous organization) ExtractoDAO, authorized by all its participants as issuer of this contract and the holder of Extracto@ contracts in compliance with the laws of this country and on the other side the legitimate buyer who is responsible for the administration of his contracts and private DRAWER keys.

The parties identified above have, amongst themselves, confirmed this live-cattle-kilos Purchase and Sale Agreement, which will be governed by the following clauses and by the price conditions and the rules of the whitepaper. The buyer asserts to have read all the documents, in its entire original form and payment terms described therein.

### **OBJECT OF THE AGREEMENT**

Clause 1. The OBJECT of this contract is (xxx) (Quantity) KG of lean Nelore cattle, owned by the SELLER ExtractoDAO, duly vaccinated and disease-free, as attested per a document signed by a veterinarian, attached to this instrument.

### **WITHDRAWAL**

Clause 2. Upon expiration, a Stablecoin COW will be generated. At first no physical withdrawal will be allowed, and when allowed, it will be under the responsibility of the buyer, who will have to pay delivery costs and other fees.

### **PAYMENT**

Clause 3. For the purchase of the Extracto@ contract, object of this contract, the BUYER must pay the SELLER an amount of USD fiat cash or in USDT, USDC, DAI, BUSD or backed COW after it is generated.

### **TERMINATION**

Clause 4. This contract cannot be terminated according to the protocol rules, as established in all of the clauses of this instrument, and the buyer must recognize all potential losses or profit. ExtractoDAO can never be liable for losses and damages that may be caused to the buyer according to the whitepaper and the clauses in the smart contract.

## FORUM

Clause 6. In order to settle any controversies arising from the CONTRACT, the parties elect the court of the district where there is a representation of ExtractoDAO.

The parties sign this instrument, and accept that it is up to the buyer to receive and manage this document which recognizes him as the owner of the goods in his DRAWER.
